

## WHAT WE OFFER ?

- **From Strategy to Action Workshop:** Align your team around a shared vision and develop a clear, actionable roadmap.
- **Making the Change Stick Program:** Transition from strategic planning to effective, lasting implementation.
- **Implementation Support Track:** We assist in aligning people, processes, and technology to ensure seamless execution and lasting impact.

## FROM STRATEGY TO ACTION WORKSHOP

### Objective

Align teams around a shared vision and develop a clear, actionable roadmap.

### What You'll Learn & Achieve

- Identify organizational challenges and opportunities.
- Develop a strategic action plan.
- Enhance team alignment and engagement.

### Format

Interactive workshop (1-2 days).

### Ideal For

Leadership teams, project managers, and key stakeholders.

## MAKING THE CHANGE STICK PROGRAM

### Objective

Transition from strategic planning to effective, lasting implementation.

### What You'll Learn & Achieve

- Establish change governance structures.
- Manage resistance and foster engagement.
- Continuously evaluate and refine change initiatives.

### Format

Ongoing support program (2-3 months).

### Ideal For

Organizations ready to implement and sustain change strategies.

## LEAD CHANGE WITH CONFIDENCE

## DIBIZ

Empowering Organizations Through Strategic Action and Sustainable Transformation

## WHY CHOOSE US?

- 1 Strategic Expertise:** We guide organizations through the complexities of change, ensuring strategies are not only defined but effectively implemented.
